SUFFERED MANY YEARS WITH A COMPLICATION OF FEMALE DISEASES.

Two Robust Women Who Owe Their Restored Health
and Usefulness to Pe-ru-na.

Mrs. J. E. Finn.

MRS. J. E. FINN, 82 East High St.,
Buffalo, N. Y., writes:
The Peruna Medicine Co., Columbus, O.:
Gentlemen: "A few years ago I had
to give up social life entirely, as my
health was completely broken down.
The doctor advised a complete change
and rest for a year. As this was out
of the question for a time, I began to
look around for other means of restor-
ing my health."

"I had often heard of Peruna as an
excellent tonic, so I bought a bottle to
see what it would do for me, and it
certainly took hold of my system and
rejuvenated me, and in less than two
months I was in perfect health, and
now when I feel worn out or tired a
dose or two of Peruna is all that I
need."—Mrs. J. E. Finn.

Periva catarrh is a phrase coined by
Dr. Hartman, covering all that large
category of diseases which are known

Miss
Ruth
Emerson

as female weakness. The lower portion
of the abdomen is called by anatomists
the pelvis. The organs contained in
this portion of the body are known as
the pelvic organs. There are several of
them, very delicate and very subject to
catarrh. Few women escape entirely

Thankful Women Who
Have Been Cured by
Dr. Hartman's Free
Treatment.

Miss Ruth Emerson, 72 Sym-
more St., Buffalo, N. Y., writes:
"I suffered for two years with
irregular and painful menstrua-
tion, and Peruna cured me with-
in six weeks. I cannot tell you
how grateful I feel. Any agency
which brings health and strength
to the afflicted is always a wel-
come friend, and to-day the
market is so filled with useless
and injurious medicines that it
is a pleasure to know of so reliable
a remedy as you place before
the public."

catarrh of these organs. While
each case presents some minor
differences as to detail, they are all
in reality alike. Pe-
ru-na does not relieve
these cases by tempo-
rarily mitigating
some symptom, but
by a removal of the
cause. Many a woman
can testify that local
treatment does not
permanently cure. A
large multitude of
women are constantly
going from doctor to
doctor to receive local
treatment, with little
or no result.

In Peruna these
women find a prompt
and permanent cure.
Imitations of Pe-ru-na.
Peruna has come to
be recognized as the
greatest remedy for
catarrh in the world.
At first competitors
tried to deny this and
insisted that their
remedies were just as
good. This was found
to be impossible, how-
ever, and now imita-
tions are springing
up everywhere.

To successfully
palm off an imitation
of Peruna even for a
short time is sure to
be a money-making
scheme, but no one
who has ever taken
Peruna can be fooled

on these imitations. No conscientious
druggist would sell one of them. Every
purchaser should look carefully at each
package of Peruna he buys, to be sure
that he is getting only genuine Peruna.

A Cure at Last For All Diseases of the Kidneys, Liver, and Bowels.

I want all of my friends and
customers who suffer from backache,
kidney and liver disorders to try a box
of Swain's Backache, Kidney and
Liver Cure, "free" as it is certainly a
Godsend to those that suffer from the
above named diseases. I have made
arrangements with the Swain
Medicine Company of Kansas City
Mo., to give out one hundred, and
fifty full size boxes "free" to prove its
curative properties, and knowing of
the merits and cures it has made after
everything else had failed, I consider
myself lucky in getting the agency
for this "cure", and I urge for your
own good health that you do not
delay but come at once, and get the
first box "free" and learn the strong
"guarantee" on six boxes of this cure.
No other firm or proprietary medicine
company has authorized me before to
absolutely "guarantee" a kidney and
liver cure, for you know that is a very
difficult disease to handle, but they
actually cure or benefit ninety-nine out
of every one hundred, and that is why
they authorize me to make this strong
"guarantee." You understand that I
have only one hundred and fifty boxes,
and cannot get any more free, so I
want to ask that those that are
bothered with the many diseases that
this "cure" is absolutely guaranteed
to cure to come at once as they will
not last very long at the present rate
they are going. Very Truly Yours,
